School of Leaders

I recommend to all of my brothers and sisters that they serve God faithfully. Granted, it is sometimes difficult to resist evil and remain virtuous. But with the grace of God that we obtain from prayer we can do anything. All we have to do is to will it. - *Blessed Arnold Reche (1838-1890) Memorial day October 23*

Through our Cursillo Movement and the School Of Leaders we can learn to serve God Faithfully in spite of our human weaknesses. Come and join us as we explore the TRUTH OF OUR MOVEMENT AT THE SCHOOL OF LEADERS ON **NOV 10TH 7:30PM AT OUR LADY OF FATIMA.**

God Bless

Brian

The Tree

soaking in the word of God
deepens the depth
and breadth of hidden roots,
intimacy with the spirit of God
grows the height and length
of sun-hungry limbs,
being filled and overflowing
with the love of God
makes the whole tree burst
and blossom with life,
delight yourself in these
and he will honour you
with masterful pruning
for seasons of outrageous fruitfulness
